Member participation requests

Historic TVWC documents/items volunteer request

The club is revising the role and activities of the club historian, and is looking for volunteers to assist in converting archived print materials to digital media. If you have access to a scanner and are available to help us digitize our historical records, please contact the project lead, Ben La Pointe, benclapointe@gmail.com. Thank you.

Areas Requiring Additional Help or Backup:

Labor for Community Service Project: church play station,
Updating the Resource Book with the past president
2023 Picnic coordinator.

Please contact: Bill Nance williamnance77@gmail.com

New Villager Social Thursday, January 5

Looking for a volunteer to staff the club's table at the event. There are two sessions, the first beginning at 4:30 and the second at 6:00 p.m. The representative would be asked to arrive by 4:00 p.m. and stay until approximately 6:30, when the second session program begins. If you have any interest and are willing to volunteer for Jan 5 social, please send Bill Nance an email williamnance77@gmail.com

Meeting Programs:

Requests for future program ideas - *Neal Wilson*

At every meeting we try and have a guest speaker, or member participation event. If anyone has a program idea, or wants to provide a certain woodworking experience you have,

Contact Neal Wilson 765-714-0020 crawil@charter.net

2023 Spring Challenge - *Dennis Smith*

Requests for spring challenge ideas -

We had a great turn out for the 2022 Spring Challenge. The diversity of materials and designs was impressive. This challenge had more entries than in years past. I hope this trend continues for next year's Spring Challenge. If anyone has an idea for the next challenge please let me know. Any ideas would be appreciated.

Fri, Dec 30, 2022 - *Scott Duncan*

Wood turners, wanna be turners, and those that may want to consider turning.

13 Participants with 3 chainsaws running.

- Dick Hoffmann / Larry Gardner
- Bill Nance
- Bob Fagerlin / Scott Duncan

The rest of the volunteers queued up the wood on the concrete pad for waxing and then the sale. We arranged to have 3 separate cutting areas with helpers at each station.

Dick Hoffmann brought his chainsaw cutting stand and mentored a few members with the use of the chainsaw.

Total income from this cutting was \$109. Estimated use of 1.5 gallons / \$50 of Anchorseal. Pricing was set with examples of half logs: small @ \$1, medium @ \$2, large @\$3 and the two big cherry crotch pieces at \$5 each. Small diameter "logs" were free. Unsold half logs were placed in the barn to be sold at the next kiln unload, free logs were placed to the left of the cutting pad.
